

SCHOOL IMPROVEMENT TEAM	NEEDS ASSESSMENT
<p>The school improvement team (SIT), leads the school community in making the school a positive place in which teaching and learning can thrive. It is a group of people who reflect the diversity of the school community who work in conjunction with the school administration to develop comprehensive plans for each school.</p>	<p>Goal 1: CHS met AYP for 2009-2010. However, a review of Centennial High School’s data indicates the need to improve performance among our Special Education students. We also need to increase our SAT, GT, and AP student participation among identified student groups.</p> <p>Goal 2: We want a minimum 96% attendance rate for all student groups in all grade levels for 2010-2011. In addition CHS will clearly communicate the safe school policy to all students and staff in various settings.</p>
